Senscient receives ISA's GTF Award for Best Technical Paper at 2005 Analytical Division Spring Symposium

Mr. Lee Richman, Managing Director of Senscient, Ltd., was awarded the Gilmer/Thomason/Fowler Award (GTF) by the ISA for his paper titled, "ELDS – Enhanced Laser Diode Spectroscopy". The GTF Award is given each year for the best technical paper presented and published in the proceedings of the annual ISA/AD Spring Symposium. As the First Place Author, Mr. Richman will receive a monetary award and plaque to be presented at the ISA/AD Honors and Awards Luncheon in October during the ISA-2005 Symposium in Chicago.
